A full list of publications is available on our practice website or by contacting Dr A. Wyllie.

This guide will be reviewed at regular intervals and we will monitor its effectiveness.

How much do they cost?

All publications are free unless otherwise stated.

How are they published?

All of the information is downloadable from the practice website at www.martinslanedental.com. They are also available in hard copy from Dr A. Wyllie.

Your right to information

As well as our published information, present and former patients of the practice have the right to access the personal information that we hold about them in accordance with the Data Protection Act 1998. Details of how to do this are contained in the Practice Data Protection Policy, which is available from our practice manager.

Feedback

We have produced this guide in order to comply with the Freedom of Information Act 2000. The purpose of the Act is to encourage organizations working for the public to be more open about the information they have. We welcome your views on additional classes of information that might be included and on the publications themselves. If you have any comments or suggestions about the scheme, please send them in writing to Dr A. Wyllie at the Practice.
